Trade References

To avoid delays in approving your credit application, please be sure the companies you list as trade references will provide your account history to us. Please do not use Westburn Electric Supply, Eecol Electric, Guillevin or Woseley Canada as they do not provide account history to third parties and will result in delays in approving your trade account with Civic Recycling.

Terms and Conditions:

All invoices are net 30 days. Late payments are subject to a 2% interest penalty/month. There is a $20.00 penalty for any N.S.F. cheques. Please note that all information collected is for the sole purpose of checking credit history. We do not sell, distribute or otherwise disclose information received on credit account applications.

I, _____, provide authorization for the above listed trade references to provide credit history information to Civic Recycling & Equipment Ltd. on my behalf. I have read and agree to comply with the noted terms and conditions of this credit account.

Date _____ Signature _____
